Erik,

The Division has filed this correspondence within permit number M/035/002. The reason being, is that section 11 is within that permit and sections 10, 14, and 15 (Township 4 South Range 3 West) are nearby. If you have any questions about this action, please contact me. Thank you.

Beth,

Pursuant to our conversation last Friday, please see the attached letter describing the intensions of KEX on Herriman Irrigation (HIC) lands where the mineral rights are severed from the surface. If you have any questions, please let me know. Also attached is the amended letter we are sending HIC.

Regards,
